Baking Instructions:

1. Preheat oven to 350°F (max. 400°F) 2. Shake 1 tablespoon of flour into bag 3. Place in pan at least 2" deep 4. Add ingredients to bag and close 5. Cut four ½" holes in top of bag 6. Place meat in oven allowing room for the bag to expand without touching heating elements, walls or racks 7. After cooking let stand for 10 minutes 8. Cut open and enjoy!

Cook times are per pound of meat and may vary based on oven make and model. Meat is cooked when it reaches internal temperature indicated.

Poultry: 180°F / 17-20 min./lb.

Pork Chops: 160°F / 30-35 min./lb.

Pork Roast: 160°F / 20-25 min./lb.

Tri-Tip: 145°F / 20-25 min./lb.

Prime Rib: 145°F / 20-25 min./lb.

Fish: 130-145°F / 20-25min./lb.

Daily Home Use

Bake, boil, freeze, & refrigerate
Rice Cooker & Slow Cooker
Maximize produce shelf life
